

If every household started spending just \$10 per week of their current grocery budget on locally grown foods we'd keep more than
\$37 Million each week
 circulating within Michigan's economy.

A note about this list:
 This list is in no way complete.
 It is a grass roots effort to encourage people help the state's economy.
 With no motive other than that.

maryjessie@gmail.com

When \$1 is spent locally, that \$1 impacts three to seven local businesses before leaving the local economy.
